Notes

1. Elements of the Christian Leadership Development Programme (CLDP) are contained in the College Handbook.
(This includes things such as Leadership Formation Groups, *Fervency*, etc.)

 2. The College Calendar (which includes Teaching Weeks, etc.) is contained in the College Handbook.

 3. While formal lectures are usually not placed on a Monday or Friday, during term time these are still considered as part of the academic timetable.
Full-time students are expected to spend 100 hours (including lectures) for each 10-credit module.
This means that a full-time student is expected to spend an average of at least 35 hours on their studies each week during term time.
- * This module is taught across the whole year, with equally weighted assessments in each semester.
- ** This language module may be alternatively placed, if that is more convenient for the relevant students and lecturer.
Introductory NT Greek (TH4369) is also available to Second Year students (TH5377) and Third Year students (TH6347).
Introductory Biblical Hebrew 2 (TH5359) is also available to Third Year students (TH6365).
Intermediate NT Greek 2 (TH5357) is also available to Third Year students (TH6364).
