### \* **Note: Fridays**

During term-time, Fridays are allocated as part of the teaching week. This extends only as far as lunch time (1:00 PM), and usually is allocated purely as personal study time. So generally speaking students have a significant amount of flexibility with Fridays.

### \*\* **Note: Church Placements**

The timetable is structured so that students may usually give time to their Church Placement between Thursday evenings and Monday mornings. A 'rest day' should also be taken during this time, and we notionally think in terms of Saturdays for this.

### \*\*\* **Note: Research Centre Opening Times**

The Research Centre may be opened at other times, on request and subject to the approval of the college.
