

Bible Language courses on line

We are again offering two on-line short courses in the New Year, on the biblical languages:

- An Introduction to New Testament Greek
- An Introduction to Biblical Hebrew

They each cost £120, and this includes a textbook (including P&P within the UK).

The Greek course takes place on eight Monday evenings (every two weeks), starting 11th January.
The Hebrew course takes place on eight Wednesday evenings (every two weeks), starting 13th January.

At the end of each lesson, the video and audio recording is made available to those on the course.

If you would like to know more, or would like to register for either course, please contact the college.
